The final golf major of the year.
Window Warehouse take the cup!

31st August 2012

Malcolm Cake and Michael Cranswick shoot 62 points to take the title

Window Warehouse became victorious in the second GT Golf Day taking the title from former champs New Century Windows. With conditions proving tough for even the avid golfer, this day saw many players come back to the club house with a big NR on their card. Having said that, the rain stayed away and everyone enjoyed a great round of golf.

Michael had this putt to make a birdie on the 18th to seal the victory by a point, which took it from the hands of Arden Windows in a desperately close finish. Malcolm of Window Warehouse said "it was a great day, really enjoyed it and even better taking the trophy home to Portsmouth, where it will sit with my other trophy's in the cabinet". The host and sponsors of the tournament GT Window Products thanked everyone for such a great day and looks forward to welcoming everyone back next year.

Other trophy winners

Michael Cranswick of Window Warehouse was the winner of the Lowest Gross score. As you can see by the picture he enjoyed the meal as well. He also won the Nearest The Pin In Two on the 18th hole giving him a total of 3 trophies on the day.

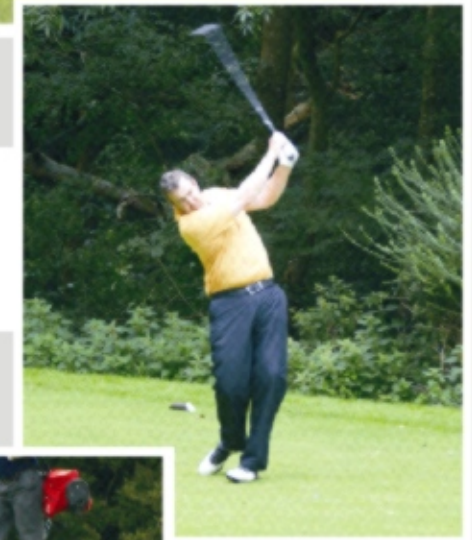

Tony Britton of Quantum Windows made a fine iron shot at the 11th to secure The Nearest The Pin trophy.

Andy Burns of MB Frames came in with best stapleford score so took the Lowest Net Trophy and also made a dead solid perfect drive to win Longest Drive on the 9th.
