GT BI-FOLD GUARD is a high performance hinge guard product designed to improve the security between the frame/sash and sash/sash on a Bi-Fold Door.

It consists of a three part casting set. One male sash part, one female sash part and one frame sash part. When fitted in the correct positions **BFG** improves the security aspect of the door and assists the rigorous testing for PAS24.

Fitting Instructions

Fit all parts adjacent to the fitted hinges. For further fitting instructions to include screw recommendations please see the Eurocell Manual

Parts

- Ⓐ BFG001 Male Sash
- Ⓑ BFG002 Female Sash
- Ⓒ BFG003 Female Frame
